Mr. Victor Singh,

Unfortunately I have been close to Shelly on both work and personal level so I have been witness to all his wrong doings, unethical practices, vindictive traits and unfaithfulness. I know about all the allegations that he put on you and your company and want to expose few things to you –

1. Ajay and Shelly have major personal grudges and agenda against you and all they want is to break down your company by breaking your agents and also blacklisting you with Verizon Wireless.
2. Shelly already has Sprint stores and Metro PCS stores through his brother (Ajay Bhumitra) company Mobileistic
3. His intention is to convert his ZCom store and other agents stores to Sprint to make his brother footprint in Sprint more stronger and to break your sub agents
4. He has been bribing your internal staff members to get all confidential information and misusing it against you
5. He has been bribing certain Verizon Wireless officials
6. He is planning to get direct Verizon Wireless store in west coast along with his brother and Harpreet Kataria
7. He is making a union with your sub agents who are fraudulent like him and going to convert to Sprint as you are not letting them open more stores with you
8. He bribes vendors also to make false invoices and get paid through there company
9. He also runs a phone wholesale business through the Zcom store in Bluepoint and supplies used and stolen phones to few of your sub agents

I have sent the documents to certain Verizon Wireless high officials including the investigator Bruno. He has financially and emotionally screwed so many individuals and one of them is me and this is my chance to expose the truth about him. I hope this helps you.

All the best,

Anonymous Benefactor

Perfect Shelly. That's fine. I am sure it will be activated. I will give him 5 ESN's & also give then to Harpreet. Anyways, if any of them ask you- just tell them- I am also buying iPhones from Abhi, just bought few from him as we are NOT pushing iPhones a lot. Also, as per Abhi, many other Zcom Verizon stores are also buying from him, I don't know who. I am sure there is NO commission issues so only they are iPhones repeatedly from him... :-)

Thanks.

Mike,
If Mattituck is not a viable project to pursue then lets get the go ahead on 38 Montauk Hwy. Bluepoint, NY. This is the free standing building and the number one store. It does app 200 plus ops a month and has been consistent for the past 5 years.
If you can get me the approval we can proceed fairly quickly and capture the season.
Please revert.

Shelly.
PS. The floor plan from the Architect is the one for this location. BLUEPOINT.

Shelly, I look forward working with you when we can fit you in at events at Stony Brook when Limitless is not available as we discussed.

Please reply to all and give us exact name of store and address so Kelly can keep in her files and include you when necessary.

Kelly, Shelly owns the store down the road from Stony Brook and would like to engage in employees days when needed or special events that he can assist with at Stony Brook when Limitless cannot attend.

When we do our next stores visits in LI let's set up time to stop and meet Shelly.

Hi Fina,
Thanks for speaking to me and certainly appreciate your time.
I have multiple Verizon stores and Sprint Stores with Authorized Service center.
I can offer your company considerable savings and service on your Cellular needs. As a company I personally look into all Business Accounts and service them with a dedicated Account manager. To my credit I work with the Federal/State and Local Govt and numerous small to medium size businesses on Long Island and the city. As a service and at no charge, I provide periodic analysis of your account and guide your account to benefit you in savings that might be overlooked due to constantly changing Rate Plans. In addition to New Activations and Upgrades we facilitate all your cellular requirements and have very sharp pricing on Accessories. All OEM accessories are appx 40% cheaper than if purchased directly.
I would appreciate a meeting to introduce myself and meet with you and your principles to discuss the possibility of working with your Company.
Please let me know a time and place.
I can be reached on my cell 631-747-8588.

Best Regards,

Shelly Bhumitra.

Hi Poonam and Harmeet,

Here is the information for Suny:

Attached is a picture of her driver's license from Connecticut.

The address at my sister is 94 Seminary Rd, Bedford NY 10506

3762

My wife is still owing a school loan and she is not sure how her credit looks. It is very possible that she has no credit at all since she has been out of the country for 9 years.

Thank You,

Hi Bruno,

As per our discussion below you will find the correspondence with Keith Alloco of Intouch in ref to me not contacting VZW people directly.

It appears they are looking for any ridiculous excuse to terminate people at will. Also they keep mentioning that no Sub Dealer is allowed to go to VZW staff directly for any reason whatsoever. FYI

BS is not a curse at least in my books. But again you can intrept it the way you want. It wasnt meant as a curse at all. Secondly it was a knee jerk reaction to the lies told to you by whomever???? I resent that. We all work very hard to keep our heads above water in this economic environment and as a businessman to be told I wasnt open without any facts is annoying. As far as Joh Coyle and VZW I have not written anything to anybody if they were not on the list as CC. ONCE AGAIN I WOULD LIKE TO KNOW WHAT HAVE I HAVE WRITTEN TO THEM THAT YOU HAVENT RECEIVED?????? OR VICE VERSA.

I do see where your coming from and will pay attention to it next time around.

It just hit me wrong as its tough enough to deal with customers who are challenging to say the least and then to have your own so called team to be saying stuff that is not at all true is not fun.

Trust you understand.
